

HOUSING PROCEDURES

Congratulations on becoming part of the Iḷisaḡvik Family! Now is the time to begin preparations for acquiring housing. Considering that housing on the North Slope is limited, Iḷisaḡvik does not provide and/or guarantee housing for all employees. However, the College does have a limited number of rental units that periodically become available as existing units are vacated and/or if new, affordable units are leased by the College. We will do our best to assist you in this process. We kindly ask that you begin by following the steps outlined below:

1. **Iḷisaḡvik Leased Housing:** Please contact the Executive Assistant to the Dean of Administration at (907) 852-1868 to determine the availability of housing units. If no units are available, we will be happy to add your name to the housing waiting list. Please email your request to the EA and include the number of bedrooms you prefer.
2. **Local Housing Entities:** Please complete and submit housing applications to the three local entities below:
 - a. Tagiugmiullu Nunamiullu Housing Authority (TNHA)

3. **Staff dormitory** housing is available on a temporary basis. It is used as transitional housing and not as a permanent dwelling. An employee may be granted a dorm room for themselves. With approval from the President, an employee's spouse may reside with the employee. Children may not reside in the dorms. Please contact the Executive Assistant to the Dean of Administration to request staff dorm housing.
